

## Justification for Request of Electricity

If you indicated the need for electricity on your application, you must justify this request below. You will be notified by email as to whether or not your request has been approved or denied. Please print your confirmation email for your records.

Electricity will be provided free of charge only if it is **absolutely necessary to explain your project** to the judges. (PowerPoint presentations and backlighting are not justifiable.) If you wish to have electricity and it is not absolutely necessary, you must return this form with a check or money order for \$50.00 along with your Exhibitor application. It must be received with your application and this form in order for electricity to be arranged for your project. Please make checks payable to *Office of Academic Special Programs*.

**All decisions regarding the use of electricity for projects are final and not open to discussion.**
