

Boards of Equalization and the Appeals Process

The Carl Vinson Institute of Government, in partnership with the Georgia Department of Revenue and the Georgia Center for Continuing Education, is offering an updated online training course, Boards of Equalization and the Appeals Process, formerly known as Board of Equalization (BOE) Update.

Tell me more about this training.

- Eight hours of approved continuing education credit for members of county boards of equalization
- Eight hours of approved continuing education credit for tax commissioners, tax assessors, and tax appraisers (one time every four years)
- Online course allows you to complete the training at your own pace within 30 days, eliminating travel and overnight costs
- Ten comprehensive course lessons covering a broad overview of appraisal and equalization processes, updates on important concepts and terminology, and recent changes in statutory or case law
- No final examination—a seven question quiz at the end of each lesson requires a score of 70% or above to move on to the next lesson
