

# 64<sup>th</sup> Georgia Science and Engineering Fair

## March 29 - 31, 2012

### Georgia Science & Engineering Fair Special Awards and Sponsorships

The Georgia Science and Engineering Fair depends on Sponsors and on Donors of Special Awards to encourage and reward Georgia's rising young science researchers. We hope that you or your business, department, or organization would like to be known as a sponsor of the state's most prestigious Science and Engineering Fair. There are several ways to contribute: you may sponsor a particular activity, such as the judges' dinner or the parents' hospitality suite. Or you might sponsor a Special Award to encourage research excellence in your field, or to reward a trait or topic you value. The possibilities are endless.

<b>Sponsor/Donor:</b> _____

  Other \_\_\_\_\_

2. I/we would like to sponsor a Special Award at GSEF 2012

Special Award Judges:

- We will send our own judge to determine the recipient for this award (Friday, 3/30/12).  
 We cannot send our own judge; please have GSEF provide one.

Special Award Presenters:

- We will send a representative to present this award at the Awards Ceremony (Saturday, 3/31/12).  
 We cannot send our own presenter; please have GSEF provide one.
