About the Online Course Authors

William E. Wade, Pharm.D., FASHP, FCCP

Dr. William E. Wade is an Emeritus Professor of the College of Pharmacy at the University of Georgia. He is a Fellow of the American Society of Health-System Pharmacists and the American College of Clinical Pharmacy. During his career, Dr. Wade taught pharmacokinetics in the classroom and hospital settings.

William J. Spruill, Pharm.D., FASHP, FCCP

Dr. William J. Spruill is an Emeritus Professor of the College of Pharmacy at the University of Georgia. He is a Fellow of the American Society of Health-System Pharmacists and the American College of Clinical Pharmacy. During his career, Dr. Spruill taught pharmacokinetics in the classroom and hospital settings.

Joseph T. DiPiro, Pharm.D., FCCP

Dr. Joseph T. DiPiro is Dean and Professor of the Virginia Commonwealth University School of Pharmacy. Prior to starting his present position he was Executive Dean and Professor of the South Carolina College of Pharmacy for 9 years. From 1981 until 2005 he was on the Faculty of the University of Georgia College of Pharmacy and is an Emeritus Professor. At that time he was also Clinical Professor of Surgery at the Medical College of Georgia. He also served as Assistant Dean for the College of Pharmacy and the School of Medicine at the Medical College of Georgia, and Head, Department of Clinical and Administrative Pharmacy. He received his BS in pharmacy from the University of Connecticut and Doctor of Pharmacy from the University of Kentucky. He served a residency at the University of Kentucky Medical Center and a fellowship in Clinical Immunology at Johns Hopkins University.

He is the editor of *The American Journal of Pharmaceutical Education*. Dr. DiPiro has published over 120 refereed papers in academic and professional journals, mainly related to antibiotics, drug use in surgery, various issues in pharmacy practice, and pharmacy education. His papers have appeared in *Antimicrobial Agents and Chemotherapy*, *Pharmacotherapy*, *Critical Care Medicine*, *JAMA*, *Annals of Surgery*, *Archives of Surgery*, *American Journal of Surgery*, *Journal of Pharmacology and Experimental Therapeutics*, and *Surgical Infections*. He is the senior editor for *Pharmacotherapy: A Pathophysiologic Approach*, now in its 9th edition. He is also an author of *Concepts in Clinical Pharmacokinetics* and editor of the *Encyclopedia of Clinical Pharmacy*.

Dean DiPiro is a Past Chair of the Council of Deans for the American Association of Colleges of Pharmacy and is a Past President of the American College of Clinical

Pharmacy. He is also a Fellow of the College and has served on the Research Institute Board of Trustees. He was elected as a Fellow of the American Association for the Advancement of Science. He has been a member of the American Society of Health-System Pharmacists, having served on the Commission on Therapeutics and the Task Force on Science. In 2002, the American Association of Colleges of Pharmacy selected Dr. DiPiro for the Robert K. Chalmers Distinguished Educator Award. He has also received the Russell R. Miller Literature Award and the Education Award from the American College of Clinical Pharmacy, the Award for Sustained Contributions to the Literature from the American Society of Health-System Pharmacists.

The University of Georgia College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
