

2023 Advanced Placement® Spanish Language and Culture

About the AP® Spanish Language and Culture Summer Institute

During this AP Spanish Language and Culture online APSI, you'll explore the course framework, the exam, and the new 2023 AP resources that will help you plan and focus instruction—and give you feedback throughout the year on the areas where individual students need additional focus. You'll also learn about completing the digital activation process at the start of the school year. That will give you immediate access to the new resources and help ensure that your students can register for AP Exams by the new fall deadlines. By attending this APSI, you will gain deeper insight into the following key takeaways, among several others: Understand the Course; Plan the Course; Teach the Course; Assess Student Progress and Engage as a Member of the AP Community. In addition, we will place specific attention to the following AP Classroom resources: unit guides, personal progress checks, the AP teacher community, and the AP question bank. This course will also examine and share teaching strategies and instructional materials. We will explore the integration of skills and the use of authentic materials with a special emphasis on the use of technology and the arts. Participants will be asked to participate actively and share best practices with the entire group.

Objectives

Participants will:

- Review information on the New AP Spanish Language and Culture Course and Exam Description.
- Review the six units and the learning objectives.
- Learn about the AP Classroom.
- Experience different strategies to work with all modes of communication.
- Work on their course syllabus and lesson plans that enhance student learning.
- Learn about the 2021 Course Audit and syllabus
- Review information on the format and grading guidelines of the exam.
- Work in Teaching Culture and dealing with today's social justice.
- Learn to find authentic resources and ways to implement them in the classroom.

- A copy of the textbook you will be using next year (if you have access to one)

Instructor:

Carlos A. Gomez is a native of Colombia. He has been teaching various levels of Spanish, including AP Spanish Language and Culture and AP Spanish Literature and Culture. However, AP Spanish Language has been his primary focus for the last twenty-two years. He taught at Trinity Preparatory School for twelve years. He was the World Languages Department Chair and had been teaching at The Canterbury School of Florida for the past sixteen years, where he is also the World Languages Department Chair. He has been a grader for the AP Spanish Language Exam for nineteen years and has acted as a Table Leader for seventeen years. For the past eleven years, he has worked as an Endorsed Spanish Consultant to the College Board, leading numerous summer institutes and one-day workshops across the southeast region. He was also the co-author of “Fast Track to a 5: Preparing for the AP Spanish Language and Culture Examination”.
