

PRESENTERS & OBSERVERS

2020 Georgia Junior Science & Humanities Symposium

To participate in GJSHS, invitees must **ACCEPT** their invitation by submitting the **Invitation Acceptance & Consent Form** by **6:00 pm Tuesday, February 4**. Invitations that have not been accepted by this time will be awarded to other applicants.

*The Georgia JSHS is made possible by a grant from the U.S. Departments of Defense (Army, Navy, and Air Force), which funds the housing, meals, and space rental for a limited number of students to participate in the GJSHS event. The funding received by the Georgia JSHS office for this event supports the invitation of **one student per research project**. For projects conducted by a team of researchers, invitations to GJSHS are extended only to Team Leaders, not to other team members.*

Selected Presenters
