JSHS Awards

Significant awards are available to JSHS regional and national student finalists. University contributed scholarships or other awards are sponsored by many regional symposia. The availability of these additional awards, type of award, and value vary by region. The Departments of the Army, Navy, and Air Force jointly sponsor the following awards (subject to the availability and release of government funding).

For students who participate in regional and national symposia...

- **Public recognition and certificates**, honoring achievement and interest in research pursuits
- **Attain a sense of achievement and self-confidence** resulting from interaction with students from other schools and regions and with professional researchers and educators. To quote a former JSHS alumnus, "[At JSHS] I learned a tremendous amount of science, got to meet other high school students who shared my interests in science, and learned that I could succeed at any program that I chose to pursue."

For teachers...

- **\$500 in awards** to teachers at each of the Regional symposia, honoring the individual teacher and their school's contributions to advancing student participation in research.

For the regional finalists...

- **An expense-paid trip to the National JSHS**, awarded to five finalists at each regional symposium. The National brings together over 360 participants in a program of educational and scientific exchange.
- **An invitation to present their original research investigation at the National JSHS**, awarded to two finalists at each regional symposium.
- **A total \$4,500 undergraduate, tuition scholarships**, awarded at \$2000, \$1500, and \$1000 to each of three regional symposium finalists. (Scholarship payable upon matriculation and upon meeting the JSHS scholarship conditions.)
