

2021 Georgia Junior Science & Humanities Symposium

Hosted by the University of Georgia
Center for Continuing Education

INTENT TO PARTICIPATE FORM

Students who intend to submit a paper for consideration for the 2021 Georgia Junior Science & Humanities Symposium must submit this Intent to Participate Form by **Friday, January 8, 2021**. No project materials are due at this time. Students may continue working on abstracts and papers until the application deadline of **Sunday, January 17, 2021**. (*Submission of form is requested for planning and judge recruitment purposes and is not binding.*)

This form can also be completed online at <https://bit.ly/2021GJS&HSintent>

STUDENT NAME: _____ Grade: _____

Email: _____ Parent Email: _____

School: _____ County: _____

Teacher Name: _____ Teacher Email: _____

PROJECT TOPIC: _____
(General topic area is OK; does **not** have to be your exact project title.)

PROJECT CATEGORY:

Category selection here is not binding; i.e., you may select a different category in your official application, but please try to select the correct category here so that we may recruit judges accordingly. Some projects may fit in multiple categories (especially those in areas related to biomedical science / medicine and health), but only one category should be selected. When selecting a category, consider what type of professionals would be most qualified to evaluate your project, and what areas of expertise are most important for a judge to have.

BIOMEDICAL SCIENCES

(includes Biomedical Medicine, Microbiology, Cellular and Molecular Biology, Genetics, Immunology, Pharmacology, Virology)

CHEMISTRY

(includes Physical Chemistry, Materials, Alternative Fuels, Organic Chemistry [possibly in Life Sciences], Chemical Engineering, Earth Science, Geochemistry, Alternative Fuels)

ENGINEERING & TECHNOLOGY

(includes Aerospace, Aerodynamics, Electrical Engineering, Renewable Energy, Vehicle Development, Devices, Mechanical Engineering, Robotics)

ENVIRONMENTAL SCIENCE

(includes Environmental Engineering, Bioremediation, Ecosystems Management, Land Resource Management, Pollution, Toxicity in Ecosystems)

LIFE SCIENCES

(includes Developmental Biology, Plant Physiology, Population Genetics, General Biochemistry, Microbiology)

MATHEMATICS & COMPUTER SCIENCE

(includes Probability and Statistics, Mathematics, Computer Science, Algorithms, Databases, Networking, Computer Engineering)

MEDICINE & HEALTH/BEHAVIORAL SCIENCES

(includes Behavioral Sciences, Biochemistry, Bioengineering, Disease Diagnosis and Treatment, Epidemiology, Immunology, Neuroscience, Physiology, Pathology)

PHYSICAL SCIENCES

(includes Astronomy, Theoretical Physics, Solid State Physics, Acoustics, Optics, Thermodynamics, Particle Physics, Quantum Physics, Nuclear Physics. Internet of Things [Network of physical objects embedded with electronics, software, sensors, and network connectivity])

Email this form to oasp@georgiacenter.uga.edu by Friday, January 8, 2021.

All papers must be submitted via the online registration system by **January 17, 2021**.

The online registration system will open on December 1, 2020 at www.georgiacenter.uga.edu/gjs&hs.
