Out of respect and appreciation for the resources and individuals who make GJSHS possible, students are expected to participate in all GJSHS activities. The typical "in-person" GJSHS is a 3-day on-site immersive experience; in this year's virtual format, we ask that students make schedule arrangements to ensure maximal participation in GJSHS activities. If you cannot participate in the activities, please forfeit your invitation so that we may offer the opportunity to another student.

Presenters will each be assigned a **30-minute block** on Monday, March 1 between 8:30 AM - 2:30 PM for their presentation. Presenters selected to advance to the Finalist round (announced Monday evening) will be assigned an additional **30-minute block** on Tuesday, March 2 between 8:30 AM - 2:30 PM. Presentations will not be rescheduled once assigned. **See GJSHS Welcome Packet for more information.**

GJSHS will take place virtually
