

Electricity Request Form

If you wish to access an electrical outlet at your exhibit, this Electricity Request Form must be included as part of your GSEF Registration Packet. No later requests will be considered.

The request must be accompanied by a payment of \$100 (may be combined in one check with your registration fee). No refunds will be made if you later decide you do not want electricity, if you cancel, or if you fail to meet any of the requirements described in this form or the GSEF and ISEF Display & Safety Regulations.

If you request and pay for electricity, access will be provided within 9 feet of your booth. Please bring a UL-listed extension cord, which you may or may not need to use.

Please read and follow all of the rules in the official GSEF Display & Safety Regulations and the complete Regeneron ISEF Rules & Guidelines (find links on the GSEF website, www.georgiacenter.uga.edu/gsef).

Any lighting must be shielded to prevent burns and so that glass from a broken bulb cannot escape. Lighting must be turned off when you are not present.

No internet access or email connectivity is allowed at exhibits.

Attempting to plug into an electrical outlet that you have not paid for may result in disqualification.

Please note that *free* charging stations will be available somewhere in the Exhibit Hall. You may use these at no cost to charge a laptop or tablet occasionally during the event. No Electricity Request is required for this use.

Division (select one): Junior / Senior

Project Title (exact): _____

Project Category: _____

Student Name (Individual or Team Leader): _____

Phone: _____ Phone #2: _____

Email Address (print clearly!): _____

The \$100 electricity fee will be paid by: Regional Fair District School Student Other
