JUDGES NEEDED
for the 73rd Georgia Science & Engineering Fair

The Georgia Science & Engineering Fair is Georgia’s premier forum for middle and high school students to showcase their original research, compete for awards, and interact with top scientists from around the state.

We need over 250 graduate students and professionals with expertise in science, technology, engineering, or mathematics (STEM) to serve as volunteer judges who will evaluate middle and high school students’ research, provide feedback, and select award winners.

Volunteers will judge in the Junior Division (grades 6-8) and/or the Senior Division (grades 9-12). Judges must have a minimum of a Bachelor’s degree in a STEM field or a Bachelor’s in an unrelated field with significant STEM research experience in a relevant professional setting.

WHEN: Late March - April 2021
WHERE: Virtual!
CONTACT: GSEF@georgiacenter.uga.edu
SIGN UP: Details and dates for judging are currently being finalized. To be notified when the volunteer judge application opens, sign up at:

We hope you will join our team!

WHY JUDGE?
Investments in the education and support of our nation’s most promising young researchers are necessary to solve the challenges before us in areas such as energy, healthcare, the environment, and global security. By joining the GSEF judging team, you will be helping Georgia’s talented youth gain the knowledge, skills, and confidence to pursue STEM careers and make unprecedented advancements toward a better world.

Those who participated in regular event judging any year since 2015 will automatically be notified when the application opens (unless opted out). If you are unsure whether you are on our recruitment list, please go ahead and sign up to be notified using the above link.
