

JUDGES NEEDED

for the **74th** Georgia Science & Engineering Fair

Official Affiliate
of the Regeneron
International
Science &
Engineering Fair

The Georgia Science & Engineering Fair is **Georgia's premier forum** for middle and high school students to showcase their original research, compete for awards, and interact with top scientists from around the state.

We need about **300 graduate students and professionals** with expertise in **science, technology, engineering, or mathematics (STEM)** to serve as volunteer judges who will evaluate middle and high school students' research, provide feedback, and select award winners.

Volunteers will judge in the Junior Division (grades 6-8) and/or the Senior Division (grades 9-12). Judges must have a minimum of a Bachelor's degree in a STEM field or significant research experience in a relevant professional setting. See sign-up form for details.

**We hope
you will
join our
team!**

WHEN: Friday, April 1, 2022

WHERE: The Classic Center in downtown Athens, GA

CONTACT: GSEF@georgiacenter.uga.edu

SIGN UP: <https://bit.ly/gsef2022judgeapplication>

It is critical that we receive most applications by **February 15** so we can recruit in low-turnout areas, but later applications will also be accepted and appreciated.

WHY JUDGE?

Investments in the education and support of our nation's most promising young researchers are necessary to solve the challenges before us in areas such as energy, healthcare, the environment, and global security. By joining the GSEF judging team, you will be helping Georgia's talented youth gain the knowledge, skills, and confidence to pursue STEM careers and make unprecedented advancements toward a better world.
