You decide the location, the schedule, and the format that works best for your organization.

- No budget for travel? We'll bring the training to you.
- Prefer an off-site setting to keep participants fully engaged? Consider:
 - The UGA Gwinnett Campus, conveniently located in metro Atlanta off I-85 in Gwinnett County. [Google Maps directions](#).
 - The Georgia Center for Continuing Education in Athens, where you'll have lodging, dining and training under one roof at the University of Georgia Conference Center and Hotel. [Google Maps directions](#).
- Need unlimited scheduling flexibility? Ask us about online programs that enable your employees to train at the pace and place that best meet their busy schedules. The online programs can include engaging video lectures and online interaction with instructors.
